

How to Swim.

pics By Anthonymania

By Anthonymania

First you put ^{1.4d}
your bathingsuit on
in the bath
room.

Next you go
on the diving
board and you go
into the water

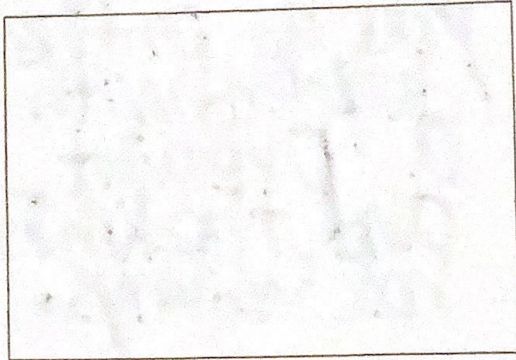

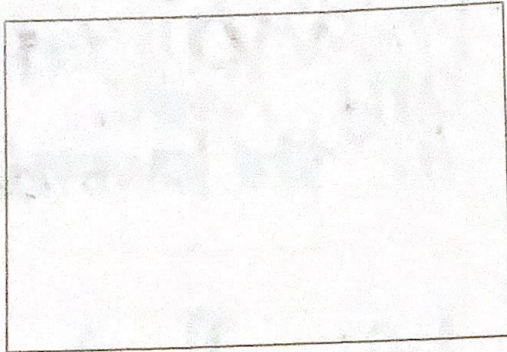

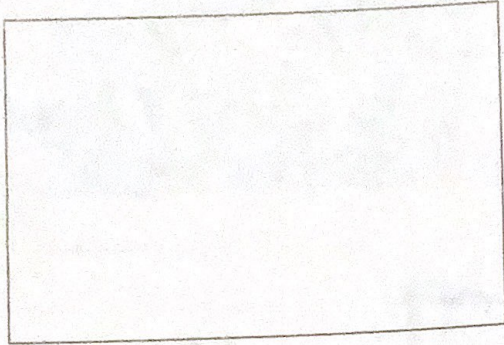

Then you
move your feet
and hands
in the water

After that
you go in the
deep end with
a preat
and the kids
has wimms.

Last when
you've swimm
all by your self
you've swimm
and that is
good

Handwriting practice lines consisting of multiple horizontal lines for writing.
