

Background Story 1

6 million years ago, the earth was created

Two races were created, the Humans and the Creepers.

At first the races lived amount each other, however their racial differences
Caused conflict to start which led to the creeper-human war

War raged on for years until the creepers were on the verge to win

When finally the humans discovered a secret weapon...
Magic!

Enchanted swords and magic helped the war for the humans
The war became an even battle again

Background Story 2

Then with the right spells the Tin Sword was made

The humans had no choice but to use the Tin sword to all fuse together
If everyone touched the sword at the same time they would all fuse
Into one body

The surviving Creepers either hid on earth to become animals
Or escaped into space to find a new planet

The Tin sword brought great power but the creepers
Overpowered in numbers against the human army as they adopted spells

Together they all fused into a new being called ultimate
Ultimate was so powerful it singlehandedly won the war

Ultimate became the guardian of earth so it couldn't infuse
And it created more humans to live in the world

As years past the humans lived life however as more humans came
More evil and crime occurred disrupting peace

Background Story 3

As the guardian, Ultimate tried to help but felt conflicted inside to do something

Ultimate had a good and bad side since it was a fusion
Of all the previous humans. It had multiple personalities
Both good and bad

The he conflict tore Ultimate so much that finally Ultimate split its
fusion into 2 other separate fusions one with all
Good spirits and the other with bad spirits

The good side was named Sarto and the bad side was named Karto

The two argued but couldn't agree on anything on how to govern the world
The decide to be the dual guardians of the earth and become immortal as half fusions
And let the humans choose to be bad or good so they wouldn't intervene

Background Story 4

Creepers that hid on earth eventually were forgotten as bad and just accepted as animals roaming the world since they became so dumb

Creepers that drifted to space were still advanced 5 pieces
They drifted to a new planet that was uninhabited that they
Named planet Xhil

They all felt weak and scared so they chose the strongest Creeper to become the new king of the planet

Creepers can live for thousands of years so
they prepared their revenge

The creepers set to take over the universe
To expand their empire and eventually take back earth

The Creepers invaded planet by planet
Some with life, others without. All life forms on other planets
We're added to the creeper army

Background Story 5

1 million years later, Endermen start to duplicate
Endermen are what's left of a creeper after it's shell explodes
They are outcasted as a race but have very special power

This led to the Endermen vs Creeper war on planet Xhil
The creepers heavily outnumbered the Endermen

Just like in the Human-Creeper war, the Endermen had special magic
However the creepers had more man power

The war then drifted towards earth as the war went to space

However as the war drifted to earth's orbit, Sarto and Karto ended it
Sarto and Karto were way more powerful than both races, they ordered peace
And sent both races back to their planet

The creepers then went back to live on Xhil while the Endermen either
Drifted to space or lived on earth in caves or in the ender world
There was peace again

Background Story 6

4 million years later and the earth is still peaceful
As earth progresses magic creates more life and society
Becomes more advanced

The creepers in space still train their army for revenge
And take over planets with other species

All species captured are sent to the creeper army. A young
Human who was found on planet Cade and raised by Mushrooms is a prodigy fighter
The human named Adam was sent to the planet as a baby

Adam was such a good fighter he was quickly promoted to elite class of the army

Adam is so strong he is able to take over multiple planets by himself
Because of this Adam earns the name black Adam by King Creeper himself

Black Adam knows the creepers are strong but knows his own strength
As well. He knows that when he has the chance he will kill king creeper
And take over the universe

Background Story ?

Finally with everything ready the creeper army finally is ready to invade earth

And take back what was once their home

However to The creepers army amazement, a human named Tim Tim beats the whole army with ease and sends them back to orbit. Somehow a mortal beat an army that trained for millions of years in minutes

The creepers then drifted in space back to their planet. All were in critical condition and broken to pieces but still alive. However back on planet Xhil, Black Adam was waiting.

King Creeper orders Black Adam to stay behind and Capture more planets

Black Adam isn't happy but accepts the order

Santo and Karto watch from above amazed as they were late to the fight. Could a mortal be as strong as a guardian they thought. Karto's evil intentions to be the best was challenged by a mortal. Karto was mad.

With all the creeper army in critical condition it was Black Adams chance. He declared himself the new king of all the planets the creepers took over. And he started to kill all the creepers on the planet leaving the army and King Creeper barley alive.

Background Story 8

Now as the king Black Adam wanted to conquer everything
Since a human mortal defeated the whole creeper army, Black Adam knew that
He had to invade earth. He leaves king creeper to die

Let's go to earth
We have to destroy Tin Tin
Bye bye King C

With black Adam headed to earth all hope seemed lost
King creeper only had about 5 minutes left of life, all hope seemed
Lost until the last surviving creeper on the planet transferred his life force
To king creeper

King Creeper used his energy to escape the planet

He was the last creeper in space to survive. The only other creepers in the universe

We're the dumb ones on earth

With King Creeper gone and no creepers alive, planet Xhil is uninhabited

Until Black Adam returns after his crew was killed by Tin Tin, Black Adam is mad

Black Adam then absorbs all the remaining dead Creeper bodies
To become stronger, then out of anger goes right back to earth

Black Adam then flies off back to earth, however Black Adam would
Eventually die to Tin Tin, leaving only King Creeper left alive in the empire

Background Story 9

King Creeper invades more planets for power to be ready for
For revenge against Tim Tim and the earth

On planet Xeon, King Creeper learns Super mode technique from the natives
This new form takes time to learn but King Creeper gets strong

This transformation boosted King Creepers power very highly, he was
Ready to set back off for earth

King Creeper finally sets back off to earth
With new powers he looks to kill Tim Tim and then take back earth

However, like Black Adan Tim Tim destroys King Creeper once and for all
Sending him straight to the sun

With King Creeper Killed, all the planets under his control are officially free

And finally the universe is officially at peace once again

With the only problems left to be taken care of still on earth

Background Story 10

Many years after King Greeper was killed, Tin Tin finally put away the last threat to earth

After, he trained with Superman (Gar'lo) and eventually said goodbye to his family

And went to the clouds with superman to become the next guardian of earth

To be immortal and watch over it so nothing bad ever happens again

Tin, you have become very strong
You have surpassed my strength and
Are truly pure hearted

You are now the new guardian of earth
And your job is to make sure that nothing bad
Ever happens. You are now immortal
And part of the life of earth it's self

I am a fusion of the good hearted first humans
Ever. I have been on this earth long enough my time has come
Tin, I will touch you and become apart of you and then vanish
I will be with you forever

Superman no
You can't leave

It's what I must
Do Tin I will
Always be with you

Tin Tin now guardian of the earth is immortal
And will always be there to protect the world
With peace in the universe and on earth, the story of Tin Tin
Ends, as with him as guardian evil will never win
