**SUPER
SMASH BROS.
BRAWL**

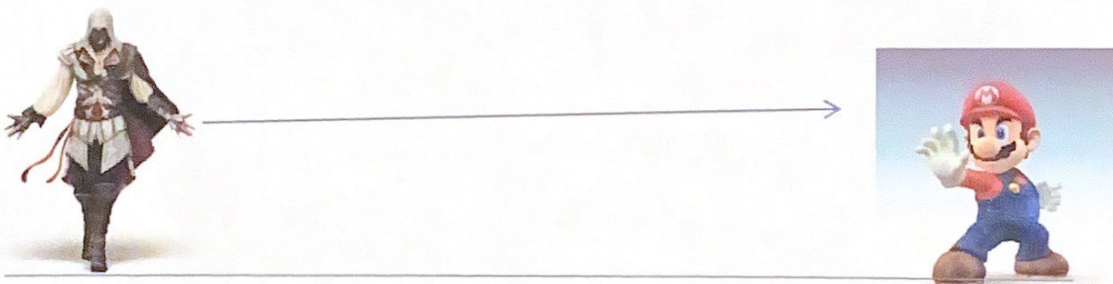

SEASON TWO

BY ANTHONY MANIA

In the world of super smash Bros a terrible fleet of zombies came.

The Smash Warriors attack and destroyed some of the zombies but still a lot of the zombies escaped and went to different parts of the world.

That's when Mario saw a man that was covered in white cloth. Mario said "who are you". Quickly he pulled out a knife out of his sleeve, he threw at Mario, and it was just about to hit Mario.

Super Smash Bros Season Two

by Anthony Mania

Right when Mario was about to get stabbed by the guy in the white cloth a strange guy came and said RJ not yet. He broke the knife and landed on the floor. Well Mario I finally get to meet you in person said the strange man. I'm the man who put you into this world, and soon I will destroy you. Well why you would want to do that, said Mario. Because I want my game super Smash bros brawl to be the best. Well bye bye. The two men went away. Mario went back by his friends when sonic turned evil and mad from the zombies. Now another fight would take place against two close allies.

Super Smash Bros Brawl

Season Two by Anthony Mania

Mario and Sonic were now going to have the biggest fight ever. Since Sonic was bad because the zombies bit him he had no choice but to fight him. Also more zombies were coming to get Yoshi and Kirby. That's when the fight began.

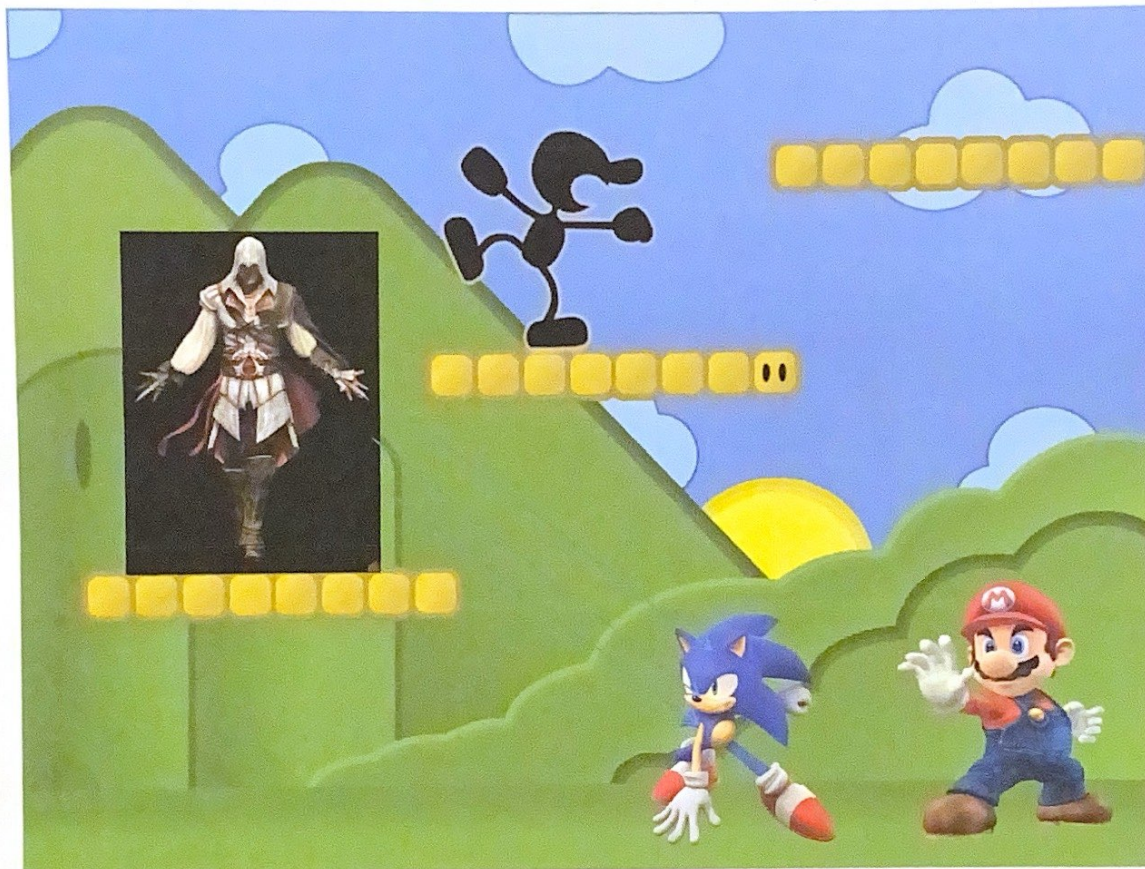

It was a very tough and even fight. One time Mario would have the first hit, than sonic would. And then that's when they were tired of playing, and they both did a strong blast against each other. It wipe them right out. Sonic got Mario down but Sonic remembered that he is good. Also they transported to another part of the world.

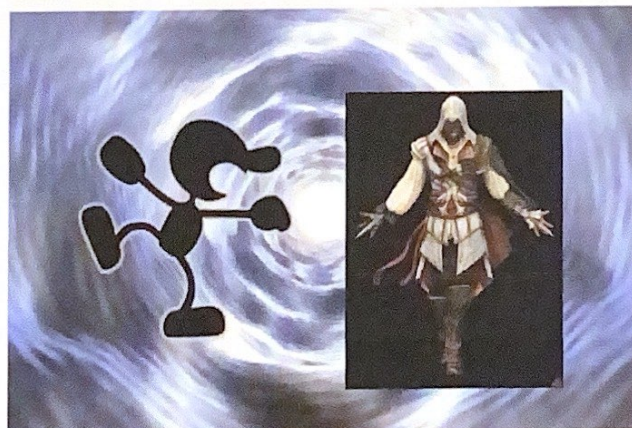

That's when Sonic put eye on the guy in the white robe. But he was covered in dark smoke.

Sonic was already hurt and the guy was full power. That's when Mr. Game and Watch came.

Hello sonic, He said. Mr. Game and watch sonic said. Well before my assassin kills you let me tell you

about my plan. My plan is to kill everybody in the game, and then first step of my plan is done. Next if you die you'll be stuck and under my control so all your other games will suck because my game has all the best characters in it. So you can't stop me. Is there any way to stop it? Well if you ring my bell which I left at my territory. Ha ha ha. Ma ma mia. Mario you're up, Mario you have to find Mr. Game and watch's bell and ring it. Why? I can't explain now because I'm going to die. What! Bye. Sonic got stabbed with a knife. Well Mario we'll meet again. Mr. Game and watch, and the guy teleported away. What will Mario do next?

Season

Two

Mario decided to go back to outer space to see how Yoshi and Kirby were doing. But when he came back the entire outer space was filled with zombies. But there was a bridge that led in to deeper outer space so Mario went, versed a few zombies and went over the bridge, and through the portal. When Mario appeared in the place the portal took him he froze. Instead of zombies there were Bowser, Meta knight, Ganondorf, and assassins. Mario had just found MR. Game and watch's secret base.

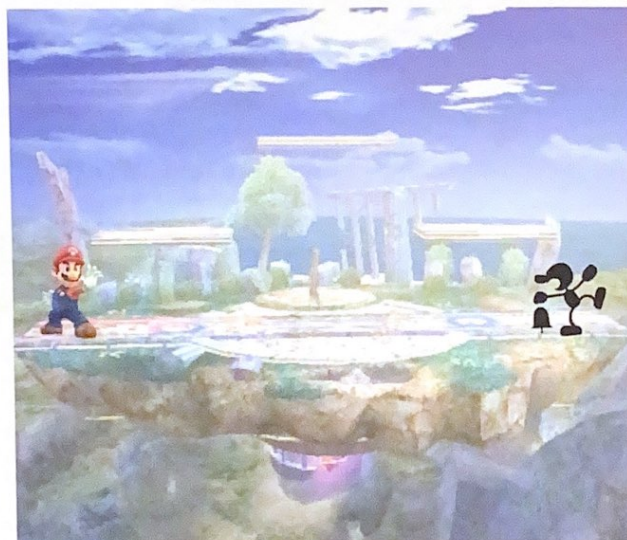

Before Mario could say anything the match became even. Mario's team came. The only people that survived. Well let's begin. Mr. Game and watch transported everyone in to the ending battle field. They call it the ending battle field because you're supposed to have last battles there.

The fight went on and all the characters even the bad guys are dead. Mario and Mr. Game and Watch are left. Who will win....?

As the final battle was about to begin something great happened. All these poke balls fell from the sky. Out of them came Pikachu, Mew, Raquaza, and arcues.

Then all of a sudden mew and Pikachu fell victim of 2 arrows. At first Mario was confused at what happened, but then from the edge of the Clift the assassin came back.

everybody started fighting. For some reason Raquaza and Arcues both started going wild and destroying everything in sight, this was chaos.

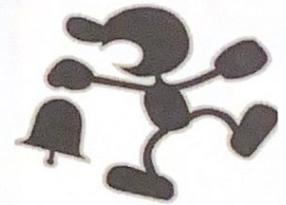

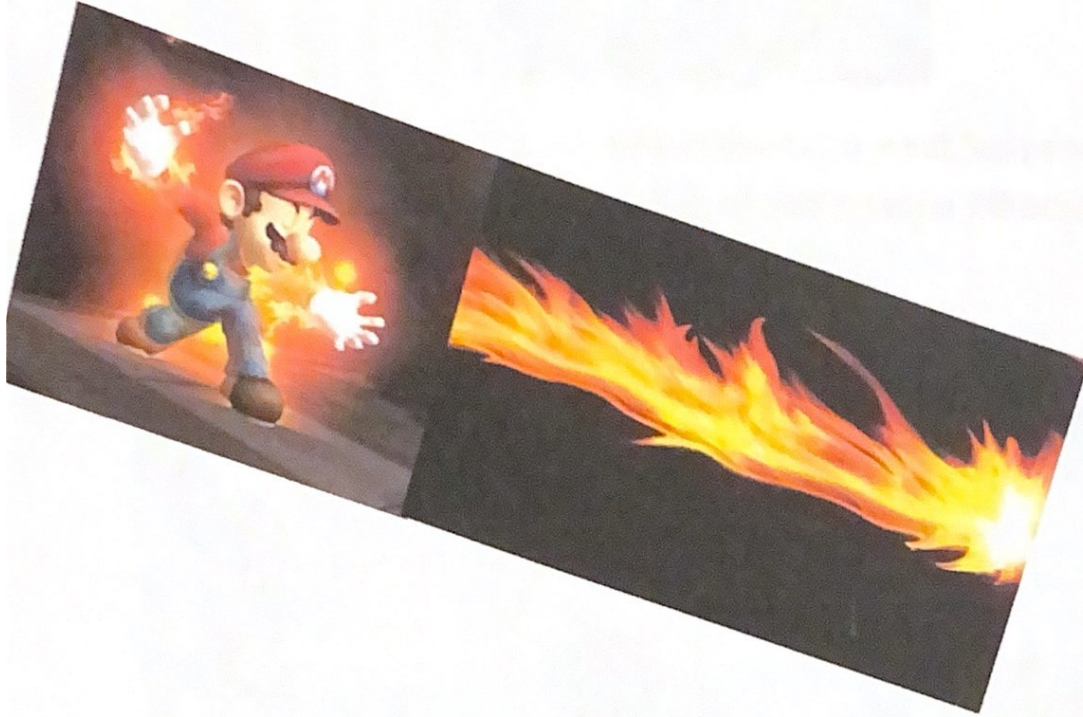

At that moment Mr. Game and Watch transported everyone to space. But then

The assassin fell to death when Luigi came. It was now just Mario and Luigi and Mr. Game and Watch. Then out of nowhere Luigi gave Mario the Special move rainbow ball. It's just what Mario needed to destroy Mr. Game and Watches bell.

As Mario ate the rainbow ball he jumped up in the air and started flaming. He then did a flaming blast right towards Mr. Game and watch. The world blacked out.

Now Mr. Game and Watch died and his bell broke. The world was saved!!!!!!!!!!!!!!After that all the people including the bad guys (even Mr.GAW but with no power because of his bell) came back to life. Even as much as everybody hated each other they just all smiled and lived back in their video games. Mario has saved the world.
