

The Poetry Book

By Anthony Mania

Dedicated to
My Family

May

May is the month of spring
May is the of my birthday
In May I play baseball
In may I ride my bike
On May 9th its mothers day
On May 29th it's the last Saturday of May
May is my favorite month.

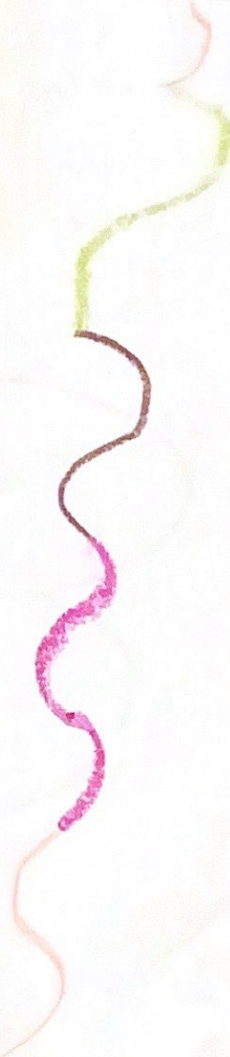

Fireworks

Boom!
Wow
Cool
Up
Down
Fireworks.

BOOM

BOOM

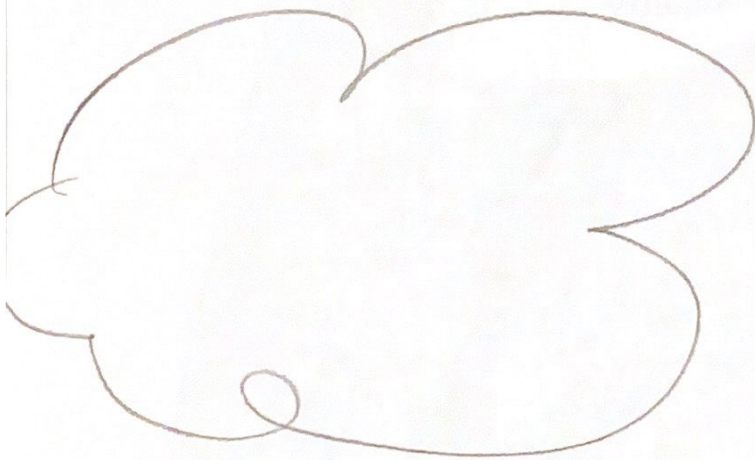

Sun Shines

Sun shines are bright
Sun shines make the earth hot
Sun shines are the best thing ever.

Volcanoes

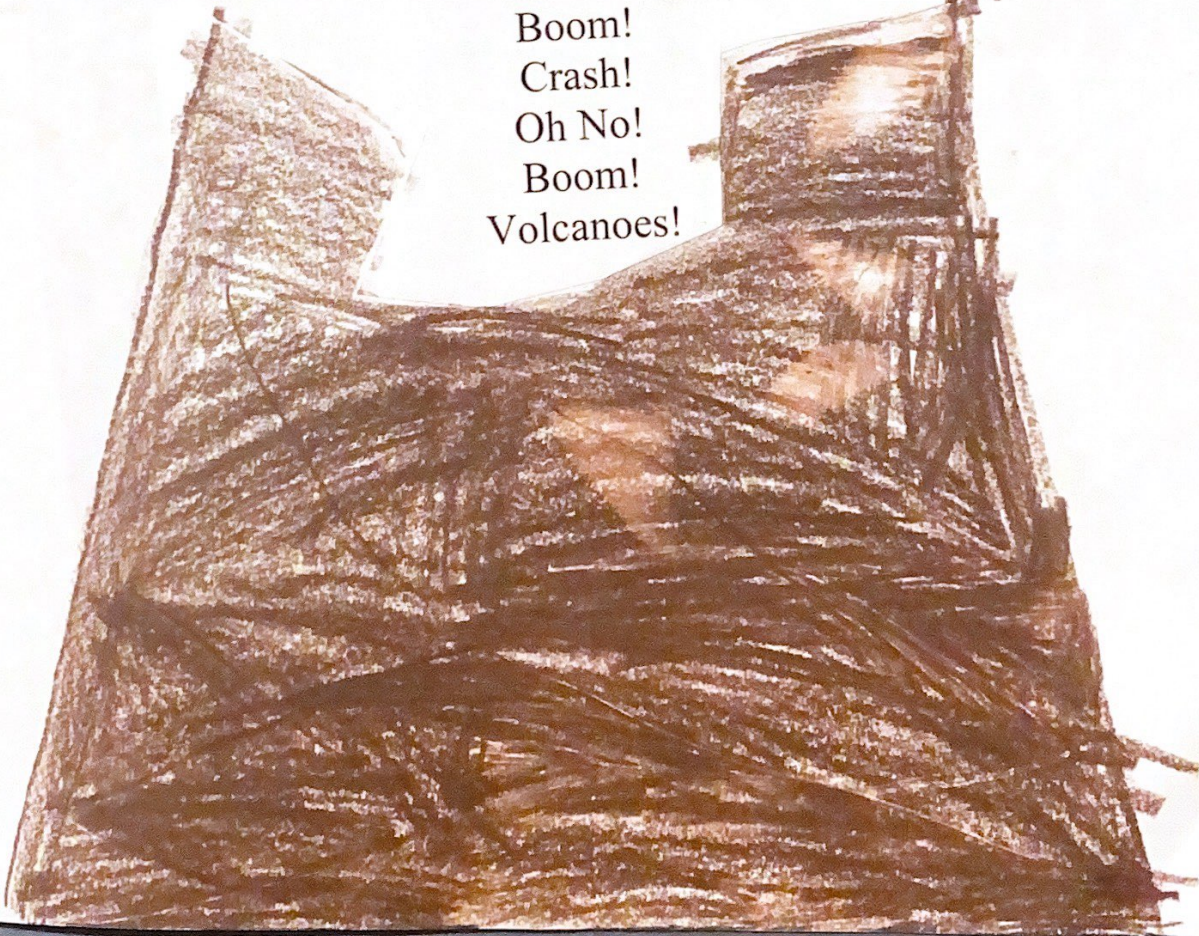

Mount
Crest
On top
Burst!

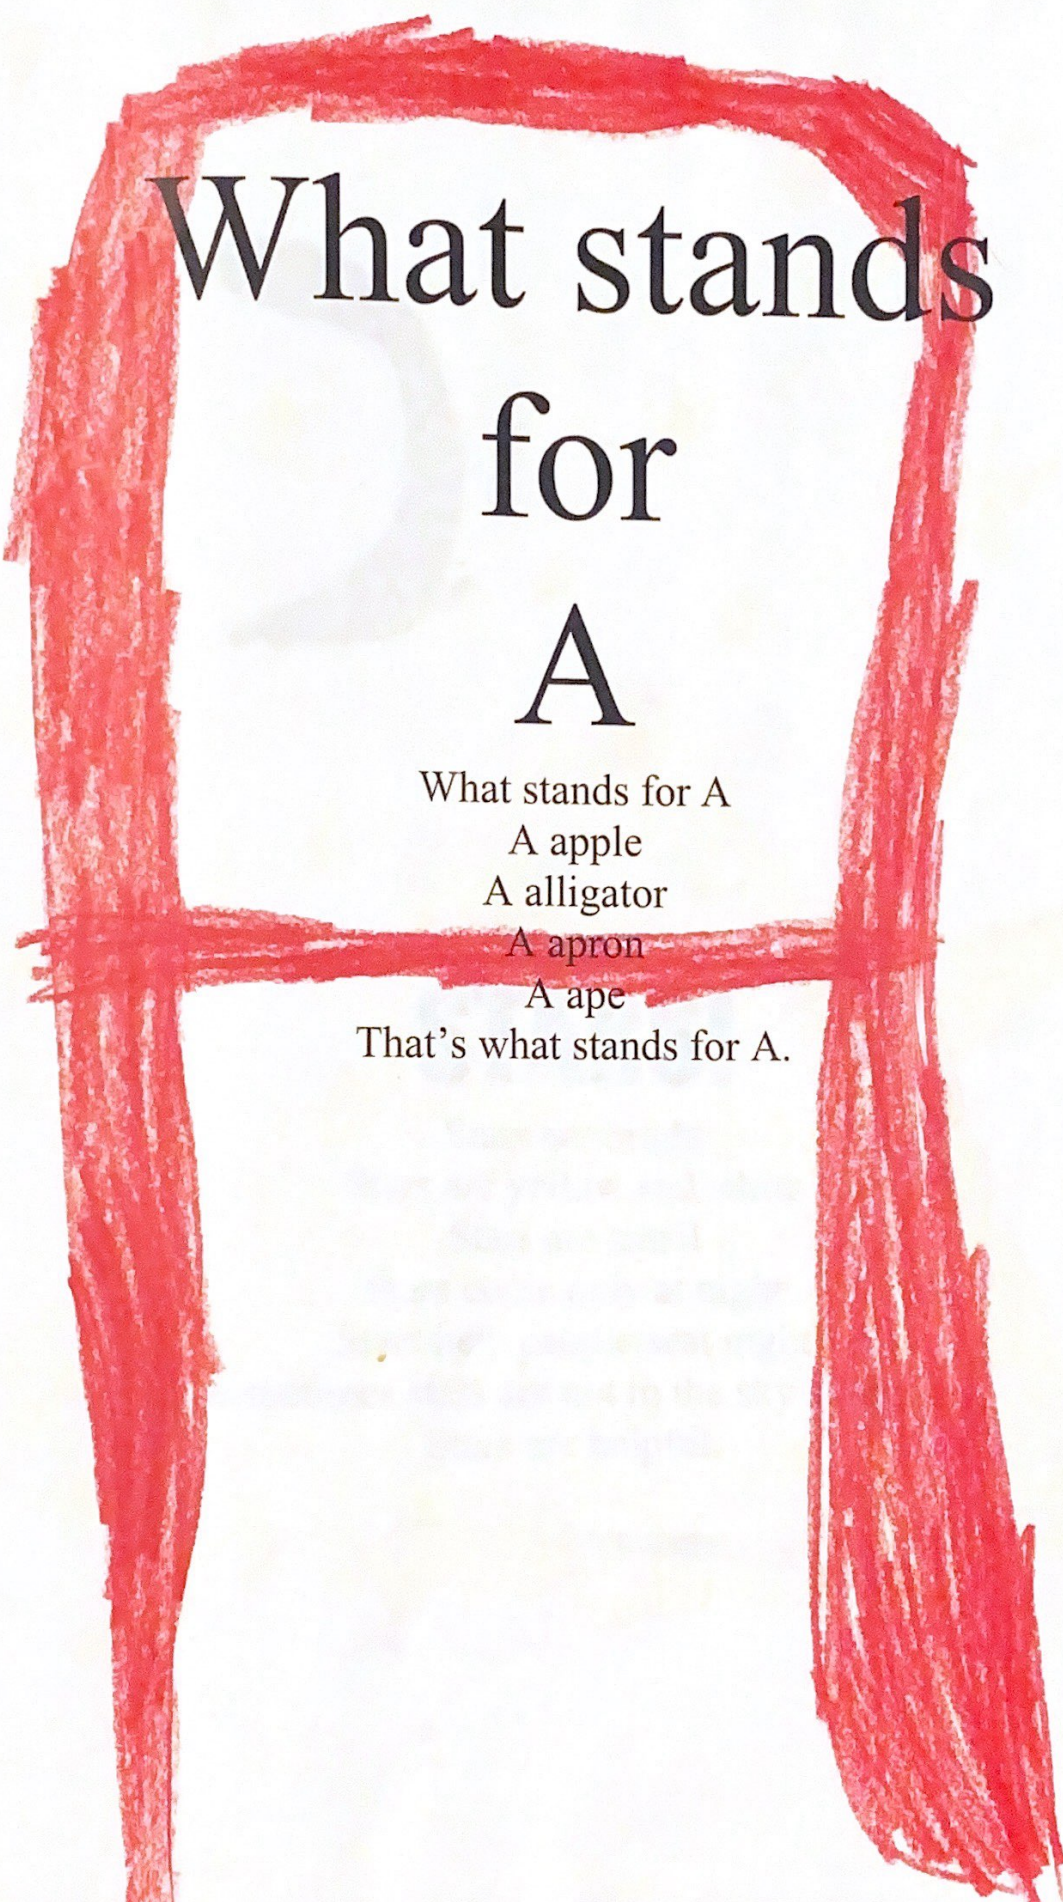

Volcanoes

Boom!
Crash!
Oh No!
Boom!
Volcanoes!

What stands

for

A

What stands for A

A apple

A alligator

A apron

A ape

That's what stands for A.

STARS!

Stars are bright
Stars are yellow and white
Stars are small
Stars come only at night
Stars help people see at night
sometimes stars are not in the sky at night
Stars are helpful.

Happy

Foot ball

When I was
playing football
I was the one of
the best player
on my team and I was proud.

I'm proud for being
The best player on my team
I was rough, strong, big, and good.

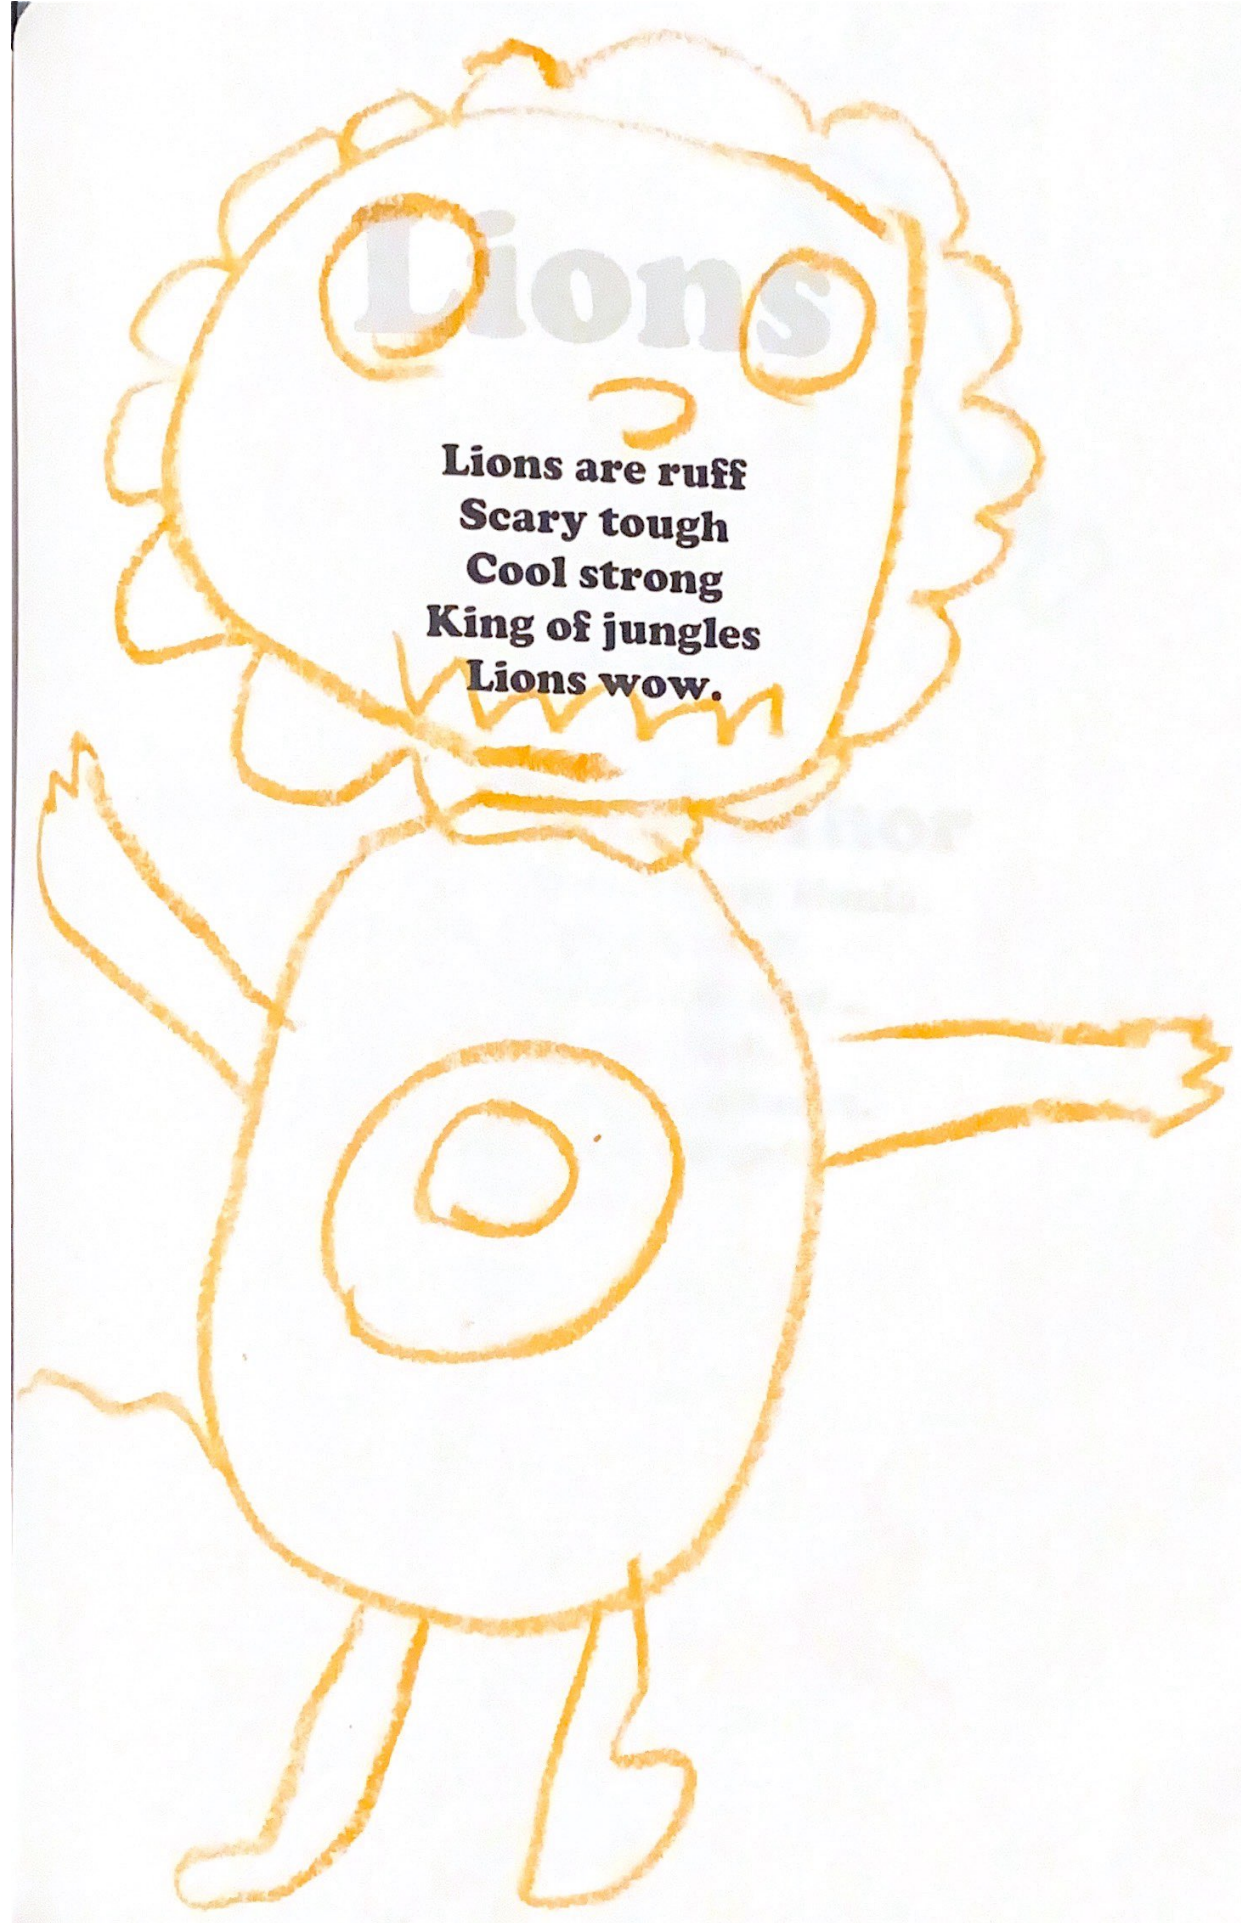

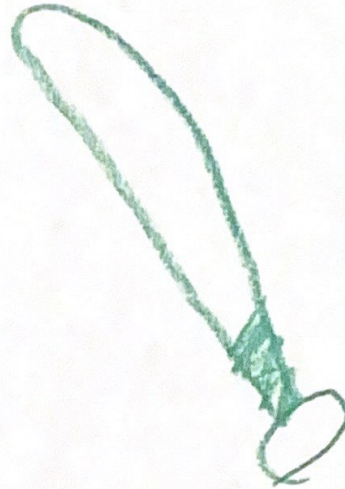

Happy

When you're happy
You smile big
And feel good
And existed
sometimes
When you're
happy you're
good and
not mean.

Lions

**Lions are ruff
Scary tough
Cool strong
King of jungles
Lions wow.**
