Shortly after the events of Book 1

Send the robots  
And Tazz don't fail me this  
Time, don't come back if you do

The monster's are  
Useless we need more power  
Yes my lord

6 months later...

Marikaze ghost attack

Great training boys  
You guys are really strong  
Nothing can come in our way

You're great with that sword Jin  
It's weird when non spirits touch  
That sword they usually transform  
But you don't

That sword is the most powerful  
Weapon in the universe  
Use it with great care  
We cannot let your father get it  
We don't know what he will do with it

I feel a weird connection  
To this sword

I sense it too

Let's go

Woah I sense  
Danger
