Dedicated to my 2 brothers Nicky and Chris

Once there was a guy named
Frankenstein and once he went
to a party at the haunted house.

And when he was walking, he saw his friend Mummy. And Frankenstein said,

"Can I come with you?" And, Mummy said, "Yes." But then, they got lost and

then Frankenstein saw the house and he said, “There is the house and now the party is saved.”

And then, they opened the door and it
was the wrong party and there
were fairies there.

And then, they saw the real mountain
and they went there.

Then, Frankenstein and Mummy went to
the other mountain and it was

big. But then, Frankenstein fell
with his friend Mummy.

And then, Frankenstein and Mummy
climbed back up.

And then, they were almost up and
they were running out of time.

And then, they made it up and
rang the doorbell and

Mr. Me opened the door and then they went in and Frankenstein saw his friend Mr. Bat and Young Frankenstein.
